

Engineering Ethics 101

Talk by:

Ethics may not be controlled by law. But doing something unethical may lead to a bad reputation.

Engineering Ethics Standards:

- ACM : <https://ethics.acm.org/2018-code-draft-1>
- NSPE : <https://www.nspe.org/resources/ethics/code-ethics>
- IEEE : <https://www.computer.org/education/code-of-ethics>

A book: Engineering Ethics: Concepts and Cases
